EDUCATION

The Oxford College Of Engineering

Electronics and Communication Engineering, Bachelor of Engineering

Bommanahalli, Bengaluru

2022 - 2026

Atal Bihari Vajpayee Residential School

PCMB Class 12th

Sira, Tumakuru

2021 - 2022

EXPERIENCE

Dhee Coding Lab | Python Full-Stack Trainee

Bengaluru, India | June 2026 - Present

- Currently upskilling in Python Full-Stack Development, gaining hands-on experience in frontend and backend technologies through project-based learning.
- Developing and deploying full-stack applications while strengthening skills in Python, SQL, HTML, CSS, JavaScript, Git, databases, and software development practices.

SKILLS

Programming Languages: Python, JavaScript, HTML, CSS
Libraries/Frameworks: FastAPI, Scikit-learn, Pandas, Numpy
Tools / Platforms: Git, Github, VS Code
Databases: SQL, SQLite, PostgreSQL

PROJECTS / OPEN-SOURCE

Personal Expense Tracker | [Link](#)

Python, FastAPI, REST APIs, HTML, CSS, JavaScript

- Developed a Personal Expense Tracker using Python, FastAPI, and SQLite to manage daily expenses through CRUD operations.
- Built and consumed REST APIs for creating, viewing, updating, and deleting expense records with database integration.
- Designed a responsive frontend using HTML, CSS, and JavaScript and connected it to the backend for real-time expense management.

Customer Churn Prediction System | [Link](#)

Python, Scikit-Learn, FastAPI, HTML, CSS, JavaScript

- Developed a Customer Churn Prediction System using Python, Scikit-Learn, and FastAPI to predict whether telecom customers are likely to leave a service.
- Trained and evaluated machine learning models using customer demographics, subscription details, and billing information to analyze customer churn behavior.
- Built a responsive frontend using HTML, CSS, and JavaScript, connected it to the FastAPI backend, and deployed the application for real-time churn prediction.

CERTIFICATIONS

- Google Data Analytics - Coursera.
- Machine Learning and Data Science - GFG (Nation Skillup).
- Python - GFG (Nation Skillup).
- SQL - GFG (Nation Skillup).

HONORS & AWARDS

- Solved 100+ DSA problems on LeetCode and earned the 100 Days Coding Badge for consistent problem-solving.
